

## Scientia et Humanitas Author's Agreement

Title of Article:

Author(s):

Date:

It is agreed that:

- \* The author(s) has/have created the work whose title is listed above.
- \* The author(s) retains/retain the copyright to the work.
- \* The author(s) grants/grant to *Scientia et Humanitas* the right to publish, display, and distribute the work in the *Scientia et Humanitas* journal, in print and electronic format. This includes MTSU retaining an archival copy for the purpose of preservation, security, and backup, and for inclusion in the university's open access journal publishing platform, Journals@MTSU (libjournals.mtsu.edu/scientia).
- \* The author or authors warrants that he, she, or they have/has the full power and authority to enter into this agreement and to grant the rights in this agreement.
- \* The author(s) agrees/agree to indemnify and hold harmless *Scientia et Humanitas*, the University Honors College, Walker Library, and Middle Tennessee State University against claims of third parties relating to any copyright or patent issues resulting from publication of the above referenced work in *Scientia et Humanitas*.

By signing this Agreement, the undersigned ("Author") hereby grants to Publisher, the non-exclusive right to reproduce, translate, display, and/or distribute the Submission (including the abstract) as part of *Scientia et Humanitas*, in print and electronic format, and in any medium now known or hereafter developed. Author also agrees that Publisher may make and retain more than one copy for the purpose of preservation, security, and backup.
